On behalf of the SoML, and myself, ¡congratulations Zhen Xie!

Zhen is an excellent student! Indeed, she has accomplished excellent work in all of her Spanish classes! She took Spanish 101 through 104, 146, and she is currently completing 147. Zhen achieved a perfect GPA score in Spanish. She has demonstrated her passion to learn Spanish, and her strong commitment to succeed. I am honored that she took some of those Spanish classes with me, and for every class, Zhen was always on time with every assignment. Her work showed excellent quality, and progress. She is a very enthusiastic person, respectful, funny, and a role model for other students. I am very proud of Zhen! She truly deserves this award!
