

UC & CSU Comparison Chart

	UC	CSU
Educational Mission as Mandated by the California Master Plan of Higher Education (CMPHE)	<ul style="list-style-type: none"> Designated the State's primary academic research institution. Provides undergraduate, graduate and professional education. UC is given exclusive jurisdiction in public higher education for doctoral degrees and for instruction in law, medicine, dentistry, and veterinary medicine. 	<ul style="list-style-type: none"> Undergraduate education and graduate education through the master's degree including professional and teacher education. Faculty research is authorized consistent with the primary function of instruction. Doctor of Education (Ed.D.) in educational leadership and other doctorates can be awarded jointly with UC or an independent institution.
Type of Degrees Awarded	Bachelors, Masters, Doctorates (PhDs), and Professional (Law, Medicine, Dentistry, Business/Management, Education)	Bachelors, Masters, Doctorates (2 degrees, Professional (Doctorate in Education – EdD))
Main Focus of Undergraduate Education	<ul style="list-style-type: none"> Prepare students to advance to graduate and professional educational programs Heavy emphasis on developing research skills Course content mostly theoretical & analytical Minimal professional training majors (Computer Science, Engineering, & Nursing, etc.) Provides internships and work abroad programs to provide students with practical job training to enhance their academic training. 	<ul style="list-style-type: none"> Prepare the majority of students to enter job market after completion of Bachelor's degree More undergraduate majors with professional training. Prepares about 60 percent of the teachers in the state Produces 40 percent of the engineering graduates, and more graduates in business, agriculture, communications, health, education and public administration than all other California universities and colleges combined.
Part-time and Evening classes	Students expected to attend full-time (minimum 12 units a term), Evening classes rare	Students can attend part-time, lots of Evening classes available
Average Upper division class size Note: Class size at smaller campuses or less popular majors will be smaller	35	35
Total Number of Campuses	10 but only 9 campuses offer undergraduate degrees	23
Total Number of Campuses that Offer Ph.D	10	2

Note: CSU data includes sophomore transfers.	Average Time to Degree After Transfer = 2.4 years			Average Time to Degree After Transfer = 3.5 years				

Average Parental Income of Freshmen	\$80,000	\$40,000
Academic Calendar Quarter = 10 week term Semester = 16-18 week term	8 campuses on the quarter system, UC Berkeley & UC Merced on semester system	6 campuses on quarter system, 17 campuses on semester system
Fees	<u>Registration & Education Fees</u> Resident = \$7,446 a year Non-resident = \$26,541 <u>Total Annual Cost Range</u> Resident = \$17,400 - \$23,980 Non-resident = \$36,468 - \$43,048	<u>Registration & Education Fees</u> Resident = \$3,451 a year Non-resident = \$13,621 <u>Total Annual Cost Range</u> Resident = \$11,452 - \$17,243 Non-resident = \$21,622 - \$27,413
Minimum Eligibility Requirements	<u>Freshmen Admission</u> Eligibility requirements identify the top 12.5% of California high school graduates as mandated by the CMPHE <u>Minimum Transfer Eligibility Requirements</u> 1. GPA = 2.4 for CA residents, 2.8 for non-residents 2. Seven Course Pattern - 2 English Composition courses (ENG 110 & ENG/PHIL 111) - 1 transferable math course with a prerequisite of Algebra 2 - 4 transferable college courses chosen from at least 2 of the following areas: arts & humanities; social & behavioral sciences; and/or physical and biological sciences 3. 60 UC transferable semester units	<u>Freshmen Admission</u> Eligibility requirements identify the top 33.3% of California high school graduates as mandated by the CMPHE <u>Minimum Transfer Eligibility Requirements</u> 1. GPA = 2.00 for CA residents, 2.4 for non-residents 2. Golden Four - 2 English Composition courses (ENG 110 & ENG/PHIL 111) - 1 transferable math course with a prerequisite of Algebra 2 - 1 oral communication course 3. 30 units of General Education courses with a "C" grade or higher 4. 60 CSU transferable semester units
Transfer Admission Priorities Upper division = 60 transferable semester units Lower division = 59 or less transferable units. Lower division students must have met UC/CSU high school eligibility requirements to qualify.	1. Upper division students from California community colleges (CCC) with a Transfer Admission Guarantee (TAG) 2. Upper division students from CCC without TAG 3. Upper division students from UC campuses 4. Upper division students from California 4-year university (CSU, privates) 5. Upper division students from out-of-state/international students* * International students who have attended CCC are given the same consideration as #1. 6. Lower-division transfers from all segments as space available	1. Upper division students from CCC with TAA or TAG 2. Upper division Local Area CCC students applying to an impacted campus 3. Eligible Upper division CCC students who meet selection criteria 4. Eligible Upper Division students from all segments 5. Lower Division students from all segments

Selective/Impacted Campuses & Competitiveness Level	Berkeley - all programs selective Davis – many programs selective Irvine – some programs selective Merced – no programs selective Los Angeles – all programs selective Riverside - some programs selective San Diego – all programs selective Santa Barbara – some programs selective Santa Cruz - some programs selective	Cal Poly SLO - all programs impacted San Diego State – impacted campus and most programs impacted Cal State Long Beach - many programs impacted Other 20 campuses: impacted in 0 - 6 programs														
Some Advantages in Attending	<ul style="list-style-type: none"> • All faculty involved in research, undergraduates benefit from receiving cutting-edge knowledge being created • Can participate in faculty research projects as an undergraduate • Some campuses have Professional Schools (i.e. Law, Medicine, Dentistry, Optometry, Veterinary) • More name recognition internationally 	<ul style="list-style-type: none"> • Easier access to professors • Allows part-time study, evening courses available in all degree programs • More undergraduate programs with a professional training, i.e. Business Administration, Finance, Accounting, Education/Teaching, Public Relations, Advertising, Graphic Design, Architecture, etc. • Internships imbedded within curriculum
